

Teacher Cadet New Instructor Training
Experiencing Education, Eleventh Edition

The Teacher Cadet Program is an innovative teacher recruitment program designed to attract talented young people to the teaching profession through a challenging introduction to teaching taught as a rigorous, dual credit accrual high school course. The program seeks to provide high school students with an insight into the nature of teaching, the problems of schooling, and the critical issues affecting the quality of education in America's schools. Teacher Cadet Curriculum Training introduces participants to the core curriculum, *Experiencing Education*, through interactive teaching and learning.
